Testimonials from previous AFF clients

Once again the Tangent Link Team put on a premier event, offering fantastic information presentation and unparalleled networking opportunities for aerial firefighting.

CAL FIRE

The networking opportunities were fantastic, well worth delegates and trade exhibitors. Static and Dynamic demonstrations were well organised and a highlight of the conference.

QUEENSLAND FIRE AND EMERGENCY SERVICES

One of the best industry specific events I have attended with key decision making persons in attendance.

About the organizer

tangentlink
CONNECTING BUSINESS

Established in 2003, Tangent Link is responsible for organizing leading Civil and Military defense events around the globe. The company has created effective connections with government and military organization as a trusted partner.

As well as organising conferences and exhibitions, Tangent Link also provides market

reports and market analysis for many global organizations.

We also arrange trade delegations to new markets which many other organizers have difficulty in accessing. We organize exclusive tailored events for corporate organizations wishing to access specific country/regional markets and vertical sectors.
